Message from the Collection Editor

Since 2017, the International Association for Landscape Ecology (IALE) has been affiliated with Land. A new Collection has been created to collate all submissions from IALE members. The topics could cover, but are not limited to:

- 3DLM – 3D landscape metrics;
- Biocultural landscape;
- Biodiversity and ecosystem service assessments;
- Food and water security;
- Forest landscape ecology;
- Historical landscape ecology;
- Landscape planning;
- Outreach and policy;
- Spatial analysis of organisms in the environment;
- Urban and peri-urban governance;
- Pattern–process–scale relationships of landscapes;
- Landscape connectivity and fragmentation;
- Scale and scaling;
- Spatial analysis and landscape modeling;
- Landscape history and legacy effects;
- Landscape and climate change interactions;
- Ecosystem services in changing landscapes;
- Landscape sustainability;
- Remote sensing of landscape.

As part of this collaboration, all members of the IALE will **receive a 10% discount on the article processing charge (APC)** when submitting articles to Land. Please choose IALE as your institution when submitting papers to this Collection.

Message from the Editor-in-Chief

Land is the only open access journal covering all aspects of land science, and it is a pioneering platform for publishing on land system science. Our editorial board is comprised of eminent scholars. We publish high quality research on societally relevant, emerging and innovative topics and results in land system research. It is now one of the top land journals with a significant impact factor, and has a goal to become the best journal in land in the coming years. I strongly recommend *Land* for your best research publications for a fast dissemination of your research.
